Position Title: Lecturer

Location: Port Aransas, Texas

Position Type: Faculty

Position URL: apply.interfolio.com/81261

Position Description

General Notes

POSITION IS LOCATED IN PORT ARANSAS, TEXAS

The position is located at the University of Texas [Marine Science Institute](#) in Port Aransas, Texas. The institute offers close proximity to estuarine, inshore and offshore habitats of the Gulf of Mexico, as well as excellent shoreside facilities for experimental work. Our infrastructure includes state-of-the-art research laboratories, offices and meeting spaces; the Estuarine Research Center housing the Mission-Aransas National Estuarine Research Reserve in partnership with NOAA, a Marine Science Library, and full-service core analytical facilities. New facility renovations completed or underway include the Fisheries and Mariculture Laboratory Complex, marina, research pier, public Marine Science Education Center and the new Center for Coastal Ocean Science that will house marine environmental science research in chemical ecology, toxicology, physiology and biochemistry. Successful applicants will have the freedom to follow independent and collaborative research, and will be provided with 9 months of state-funded salary support for research and teaching.

Responsibilities

- Teaching undergraduate organized courses.
- Assist with course preparation and design.
- Mentor students.

Salary Range

\$40,000 + depending on qualifications

Working Conditions

- Typical office environment.
- Typical classroom environment.
- May include some field and laboratory work.

Qualifications

Required Qualifications

Ph.D. in related field.

Relevant education and experience may be substituted as appropriate.

Preferred Qualifications

Previous university teaching experience.

Application Instructions

The University of Texas Marine Science Institute is interested in candidates who will contribute to diversity and equal opportunity in higher education through their teaching, research, and service. UT Austin is committed to addressing the family needs of faculty, including dual-career couples and single parents. Applications should include a letter of interest, curriculum vitae, teaching statement, a statement of contributions to diversity, and three reference letters sent electronically to Interfolio.

Equal Employment Opportunity Statement

The University of Texas at Austin, as an equal opportunity/affirmative action employer, complies with all applicable federal and state laws regarding nondiscrimination and affirmative action. The University is committed to a policy of equal opportunity for all persons and does not discriminate on the basis of race, color, national origin, age, marital status, sex, sexual orientation, gender identity, gender expression, disability, religion, or veteran status in employment, educational programs and activities, and admissions.
