

UT SUMMER SCIENCE

UNIVERSITY OF TEXAS MARINE SCIENCE INSTITUTE MISSION-ARANSAS RESERVE

HOW TO PREPARE

Clothes and equipment

Some days we will go in the water, and other days when we just get messy.

Everyday:

- Hat
- Sunscreen
- Sunglasses
- Comfortable clothes
- Closed-toed water shoes (no flip-flops, no crocs)

On days when we will be at the beach or bay:

- Swimsuit
- Towel
- Change of clothes

We will provide a light snack. You may send your own nut-free snack if you prefer.

Please let us know if your child has any allergies or special needs.

Rules

1. Be on time.
2. Come prepared.
3. Listen to instructions from adults. Stop all activities when a pay-attention signal is given.
4. Be courteous and cooperative.
5. Stay with the group and participate in all activities.
6. When in the water, do only the designated activity.

Consequences

1. Warning.
2. Time out.
3. Call parent to be picked up, or wait in bus or office.
4. Return only if accompanied by a parent.
5. In case of serious or dangerous behaviors, student will not be allowed to return to the program.

Nut-free program

UT Summer science operates as a nut free program; please make sure any snacks you send with your child do not contain any nuts.
